COPYRIGHT COMPLIANCE

NOTICE

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

The copying of any copyrighted instructional materials without prior written permission from the author/publisher is expressly forbidden. Failure by any school personnel to adhere to this policy could result in personal liability for his/her action.

"Notice - Warning Concerning Copyright Restrictions" is to be placed by all photocopying machines.
